

thyme
to COOK

from the garden to the table

It's thyme to discover the fun and excitement of cooking! Children will explore their own creativity in this hands-on cooking class that includes garden thyme, prep thyme, cooking thyme, and the all important clean up thyme. They will learn cooking essentials, how to follow recipes, measure, mix and chop and to always put safety first. Kids will stir up something new and delicious each week while learning an important life skill and having a great time with their friends in the kitchen.
